WINTER TERRACE

Atmospheric interior on the first floor in the Allas Cafe.

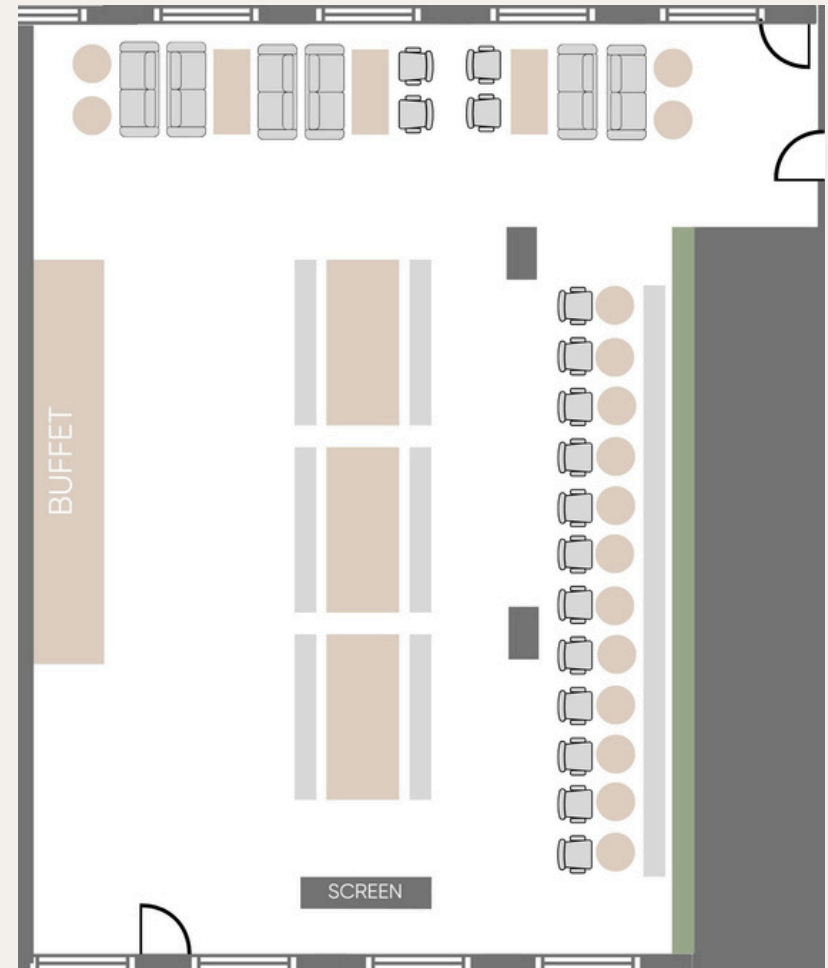

The space is ideal for more relaxed meetings, workshops, launches, private breakfast and lunch, and various celebrations. We have hosted company parties, birthdays, cocktail parties and much more.

The space has groups of different sizes of lodges and tables. There is seating for around 50 people. Private entrance to the café terrace and courtyard. WC on the café premises.

Buffet style service possible.

Access is unobstructed.

The winter terrace is a short walk from the sauna area, so it is easy to combine swimming and sauna.
